For DEA/Salmi

12 July 79

Please use your sources to check driver registration rolls for the attached list of 11 names in the following States: [redacted]

For the 12th name on the list, [redacted], please check only [redacted]

The phone to the last residence we have for a [redacted] has been disconnected. Could you please have an agent visit that address to see if a [redacted] currently resides there or if not, if the current residents know how to contact her? If contact is made with [redacted], the agent should attemptto establish if she is the person of interest. [redacted] would be 44 years old or older. She would have known [redacted] and Mr George White, former FBN agent in NY and San Francisco. Both men are now dead. If she does know these men, tell her only that a [redacted] of CIA will want to contact her ~~to discuss~~ to obtain her assistance in an investigation and to furnish her with some information which may be of interest to her.

If no contact is made with [redacted] at the above address, please interview the neighbors, if practical, an attempt to find leads for future contact.

[redacted]

80
